1. Scope

Safeguarding and promoting the welfare of children is everybody's responsibility.

We recognise our moral and statutory responsibility to safeguard and promote the welfare of all pupils. We endeavour to provide a safe and welcoming environment where children are respected and valued. We are alert to the signs of abuse and neglect and follow our procedures to ensure that children receive effective support, protection and justice.

Safeguarding and promoting the welfare of children refers to the process of *protecting children from maltreatment, preventing the impairment of health or development, ensuring that children grow up in circumstances consistent with the provision of safe and effective care and taking action to enable all children to have the best outcomes*¹:

Our core safeguarding principles are:

- The school's responsibility to safeguard and promote the welfare of children is of paramount importance and everyone's responsibility
- Safer children make more successful learners
- Representatives of the whole-school community of pupils, parents, staff and governors will be involved in policy development and review
- Policies will be reviewed at least annually to ensure their currency and effectiveness
- We endeavour to provide a safe and welcoming environment where children are respected and valued.

Where it is believed that a child is at risk of or is suffering significant harm, the school will follow the procedures set out by our local Safeguarding Children Partnership arrangements. https://panlancashirescb.proceduresonline.com/chapters/contents.html#ind_cases

Policy Aims

- To provide all staff with the necessary information to enable them to meet their child protection responsibilities
- To ensure consistent good practice
- To demonstrate the school's commitment with regard to child protection to pupils, parents and other partners
- To contribute to the school's safeguarding portfolio

We at Newfield work in ways that are proactive and preventative as well as responsive and protective. Consequently, this child protection policy must be understood within the broader context of our whole school environment and those policies and procedures that relate directly to the broader safeguarding agenda (see Section 10).

¹ Working Together to Safeguard Children 2018 & Keeping Children Safe in Education 2021

Prevention and Early Support: Newfield School is committed to early help and identification of unmet needs and vulnerabilities. The school works in partnership with other agencies to promote the welfare of pupils and keep children safe.

- Put the child's needs first;
- Provide children with a voice;
- Promote identification of early help;
- Encourage multi-agency working and sharing of information.

Early support and intervention to address unmet needs can be either single agency (such as within school) or multi-agency as part of the Child and Family (CAF) assessment and plan. All staff who are in positions to assess a child's needs should be aware of the CAF process and how to support a child/ family using this process. They should also be aware of and undertake the role of Lead Professional appropriately.

Our overall response will be in accordance with Working Well with Children and Families in Lancashire, which sets out the principles by which practitioners in Blackburn with Darwen, Blackpool and Lancashire will work with children and families. It includes levels of need which assist all those whose work brings them into contact with children, young people and their families (including the unborn child) to identify the level of help and protection required to ensure children grow up in circumstances that achieve their best outcomes. (see Appendix C).

Child Protection:

Where it is believed that a child is at risk of or is suffering significant harm, the school will follow the procedures set out by our local Safeguarding Children Partnership arrangements as identified on Page 9 of this policy.

https://panlancashirescb.proceduresonline.com/chapters/contents.html#ind_cases

- To provide all staff with the necessary information to enable them to meet their child protection responsibilities
- To ensure consistent good practice
- To demonstrate the school's commitment with regard to child protection to pupils, parents and other partners
- To contribute to the school's safeguarding portfolio

Protection: All staff and volunteers are trained to recognise and respond to **child protection** issues such as abuse and neglect. All staff and volunteers are expected to be vigilant and must act quickly when they suspect a child is suffering, or is likely to suffer harm.

Staff refers to all those working for or on behalf of the school, full time or part time, in either a paid or voluntary capacity.

Child refers to all young people who have not yet reached their 18th birthday.

Parent/Carer refers to birth parents and other adults who are in a parenting role, for example step-parents, foster carers and adoptive parents or legal guardian

Vulnerable Adults refers to adults who are parents or carers who have care and support needs who may also be at risk of abuse and neglect. The school will ensure they follow procedures outlined by the Local Safeguarding Adult Board www.lsab.org.uk and seek advice from the **Adult Safeguarding Team on 01254 585949**

Children's Safeguarding Assurance Partnership (CSAP) refers to the combined partnership arrangements (replacing LSCBs) between Blackburn with Darwen, Blackpool and Lancashire Local Authorities, Health and Lancashire Constabulary that support and enable local organisations to work together in a system that delivers positive outcomes and working relationships (as identified in **Working Together to Safeguard Children 2018**).

2. Children who may be particularly vulnerable

It is vital that children receive the right help and support at the right time to address unmet needs and identify risks to prevent issues from escalating.

To ensure that all of our pupils receive equal protection, we will give special consideration to children who are:

- Disabled or have Special Educational Needs (with or without a Health Care Plan);
- Young carers
- Affected by Adverse Childhood Experiences such as parental substance misuse, adult mental ill health or domestic abuse;
- Asylum seekers;
- Regularly absent from school;
- Attending alternative provision or subject to a managed move;
- Living away from home (frequent movers);
- Vulnerable to being bullied, or engaging in bullying;
- Living in temporary accommodation;
- Living a transient lifestyle;
- Living in chaotic and unsupportive home situations;
- Vulnerable to discrimination and maltreatment on the grounds of race, ethnicity, religion or sexuality;
- Involved directly or indirectly in prostitution or child trafficking;
- Speakers of another first language;
- Subject to a Child Protection Plan;
- Exhibiting any changing behaviours or risk taking behaviours that cause concerns;
- Children In Our Care/Care-experienced;
- Privately fostered.

Our School Commitment

The Governors, staff and volunteers of Newfield School regard each child as a unique individual. We seek to support children's development in ways which foster security, confidence and independence. We recognize that high self-esteem, peer support, a secure environment and clear lines of communication with trusted adults help all children and especially those who are suffering or who are at risk of abuse and neglect. As these factors

are considered to be central to the wellbeing of children they are an intrinsic part of all aspects of our curriculum and ethos.

Everyone who works with children and young people at Newfield is mindful of the fact that children with disabilities, including learning disabilities, are particularly vulnerable to all forms of abuse and neglect for many reasons. For example:

- Multiple Carers
- Care in different settings
- Limited communication
- Intimate care, especially invasive procedures
- Emotional 'blocks' that exist in the minds of professionals

At Newfield we take full account of and seek to reduce this increased vulnerability by:

- Safer recruitment practices
- Full induction
- Regular safeguarding training and updates
- Regular training and development of Designated Senior Lead (DSL)
- Review of policy and procedures

At Newfield we seek to prevent abuse and raise awareness amongst the children and parents with whom we work by:

- Well Being Plans
- Robust policies and procedures (including Accident and Incident Recording and Reporting Forms)
- Parent Groups and Workshops
- Parents involved in school governance
- School Governing Body
- School Council
- School counselling services
- Curriculum
- Training and development

Newfield School is committed to providing a safe, caring and welcoming environment where every child is able to reach their full potential free from harm, abuse and discrimination. All staff and volunteers are expected to discharge their safeguarding responsibilities effectively and recognise that high self-esteem, confidence, peer support and clear lines of communication with trusted adults helps all children, especially those at risk of or suffering abuse, to thrive.

See also section on '**Specific Safeguarding Circumstances page 15**'

3. Roles and Responsibilities

Safeguarding and promoting the welfare of children is everybody's responsibility.

Simplistically this is done by following the 4 R's:

- **Recognise** – unmet needs, abuse and harm
- **Respond** – alert the Designated Safeguarding Lead (DSL) and/or Children's Services
- **Record** – ensure records are kept up-to-date and secure
- **Refer** – share information and refer to external agencies to safeguarding and protect children from harm

All staff (including governors):

- Will have children's safeguarding training appropriate to their role and responsibility which is regularly updated. In addition, all staff members should receive at least annual updates which can be in the form of emails, bulletins, staff meetings/discussion and supervision;
- Should be aware of the signs of abuse and neglect;
- Should be aware of how to respond to specific safeguarding concerns as outlined in this policy;
- Have a responsibility to identify those children who may require early intervention support and what action to take to ensure they are supported appropriately;
- Have a responsibility to identify and respond to a child who is or likely to suffer significant harm and what action they must take, appropriate to their role;
- Must be aware of the importance of multi-agency partnership working and information sharing processes;
- Who work directly with children and can contribute to early support and safeguarding assessments must be aware of the risk sensible approach to safeguarding adopted in Blackburn with Darwen (BwD);
- Have a responsibility to provide a safe environment in which children can learn
- Act in accordance with local safeguarding arrangements and participate directly or through local education partnerships, in local safeguarding arrangements.

The governing body will ensure that:

- The school complies with their duties under legislation;
- All staff undergo safeguarding training (including online safety) on induction and that annual updates on the training are provided;
- All school leaders and staff working directly with children read Part One of 'Keeping children safe in education' 2021
- This safeguarding and child protection policy is consistent with CSAP requirements, reviewed and updated annually and made available publicly (available on the school website);
- Safeguarding training commissioned and/or delivered internally is in line with advice from CSAP and/or the Department for Education;

- There are procedures for dealing with allegations of abuse made against members of staff including allegations made against the Head Teacher and a nominated person identified to liaise with the BwD Local Area Designated Officer (LADO);
- Policies adopted are disseminated, followed and understood by all staff;
- They appoint a member of staff from the senior leadership team to the role of Designated Safeguarding Lead (DSL);
- Children are taught about safeguarding (including online, relationships etc.) through teaching and learning opportunities, as part of providing a broad and balanced curriculum;
- There are written recruitment and selection procedures that include the requirement for appropriate pre-employment checks and at least one person on any appointment panel has undertaken safer recruitment training;
- The procedure is in place to handle allegations of abuse of children against other children (see page 16);
- There are appropriate safeguarding responses to children who go missing from education, particularly on repeat occasions, to help identify the risk of abuse and neglect including sexual abuse or exploitation and to help prevent the risks of their going missing in the future (see page 15);
- The child's wishes and feelings are taken into account when determining what action to take and what services to provide to protect individual children through ensuring there are systems in place for children to express their views and give feedback;
- They recognise the importance of information sharing between professionals and the local authority;
- They appoint a designated teacher to promote the educational achievement of children who are looked after and this person has appropriate training; and
- Ensure the school **ICT** policy addresses the safety of children in accessing inappropriate material when accessing the internet and that appropriate filtering and monitoring systems are in place.

The Head Teacher:

- Ensures that the child protection policy and procedures are implemented and followed by all staff;
- Allocates sufficient time and resources to enable the DSL and deputy to carry out their roles effectively, including the assessment of pupils and attendance at strategy discussions and other necessary meetings;
- Ensures that all staff feel able to raise concerns about poor or unsafe practice and that such concerns are handled sensitively and in accordance with the whistle blowing procedures;
- Ensures that pupils' safety and welfare is addressed through the curriculum; and
- Provides a signed copy of the school's annual report to the Governing Body

The Designated Safeguarding Lead (DSL):

The Designated Safeguarding Lead will take lead responsibility for safeguarding and child protection (including Online Safety) and will ensure detailed, accurate and secure written records of concerns and referrals are kept.

The school will appoint one (or more) Deputy Designated Safeguarding Leads trained to the same level as the DSL, who will undertake those functions of the DSL in their absence. The DSL or Deputy DSL will always be available during school hours to discuss safeguarding concerns.

As identified in **Keeping Children Safe in Education 2021**, the responsibilities of the DSL include:

Managing referrals:

In line with School policy, the DSL is expected to:

- Refer cases of suspected abuse to the Children's Advice and Duty Service (CADS) as required
- Provide support to staff who make referrals to CADS
- Refer cases to the Channel Panel where there is a radicalisation concern as required
- Provide support to staff who make referrals to the Channel panel
- Refer cases where a person is dismissed or left due to risk/harm to a child to the Disclosure and Barring Service (DBS) as required; and
- Refer cases where a crime may have been committed to the Police as required

Working with others

The DSL is expected to:

- Act as a source of support, advice and expertise for all staff
- Act as a point of contact with the safeguarding partners;
- Liaise with the headteacher (or principal) to inform them of issues or ongoing enquires under Section 47 of the Children Act 1989 and police investigations;
- Liaise with the Local Authority Designated Officer (LADO) for all cases involving a staff member;
- Liaise with all staff on matters of safety and safeguarding when deciding whether to refer by liaising with relevant agencies;
- Liaise with the senior mental health lead where safeguarding concerns are linked to mental health
- Promote supportive engagement with parents and/or carers in safeguarding and promoting the welfare of children, including where families may be facing challenging circumstances; and
- Work with the headteacher and relevant strategic leads by knowing the welfare, safeguarding and child protection issues that children in need are experiencing, including:
 - ensuring that the school knows which children have, or have had, a social worker
- supporting teaching staff to provide additional academic support or reasonable adjustments to help children who have, or have had a social worker reach their potential, even when statutory social care intervention has ended

Training:

The DSL (and deputies) will undergo training that provides them with the knowledge and skills required to carry out the role. The training will be updated at least every two years and they will also undertake Prevent awareness training.

In addition, DSL skills and knowledge will be refreshed at regular intervals but at least **annually**, and may involve e-bulletins, meeting other DSLs or reading and digesting safeguarding developments.

The DSL (and deputies) will:

- Understand the assessment process for providing early help and intervention, for example through the Child and Family (CAF) process;
- Have a working knowledge of how BwD Children's Social Care conduct child protection case conferences and child protection review conferences and be able to attend and contribute to these effectively when required to do so;
- Ensure members of staff have access to, and understand, the Schools Child Protection Policy and procedures, Behaviour Policy, Online Safety Policy, management of children missing education and staff Code of Conduct Policy, especially new and part time staff;
- Be alert to the specific needs of children in need, children with special educational needs and young carers
- Be able to keep detailed, accurate, secure records of concerns and referrals
- Understand and support the school with regards to the requirement of the Prevent Duty and able to provide advice to school staff;
- Recognise the additional risks that children with Special Educational Needs and Disabilities (SEND) face online including online bullying, grooming and radicalisation; and
- Encourage a culture of listening to children and taking account of their wishes and feelings, among all staff, in any measures the school may put in place to protect them

Raising Awareness:

The DSL will:

- Ensure the school or college's policies are known and used appropriately;
- Ensure this policy is reviewed annually (as a minimum), the procedures and implementation are updated and reviewed regularly and will work with governing bodies or proprietors regarding this;
- Ensure the Child Protection Policy is available publicly and parents/carers are aware of the fact that referrals about suspected abuse or neglect may be made and the role of the school in this;
- Link with the local children's safeguarding partnership arrangements to make sure staff are aware of any training opportunities and the latest local policies on safeguarding;
- Be familiar with the Pan-Lancashire Children's Safeguarding Assurance Partnership arrangements (which replace the former LSCBs);
- Where children leave school, ensure their child protection file is transferred to the new school or college as soon as possible. This will be transferred separately from the main pupil file, ensuring secure transit and a confirmation of receipt is obtained;

- Help promote educational outcomes by sharing the information about the welfare, safeguarding and child protection issues that children who have or have had a social worker are experiencing with teachers and school and college leadership staff; and
- Understand the difficulties that children may have in approaching staff about their circumstances and consider how to build trusted relationships which facilitate communication.

4. Recognising and Responding to Safeguarding Concerns

All staff should be aware of the signs of abuse and neglect and if they are unsure they should speak to the DSL. For advice and support, staff and the DSL can contact the Children Advice & Duty Service (CADS) 01254 666400.

The Department for Education 'What to do if you are worried a child is being abused - Advice for practitioners' is a booklet that helps staff to identify child abuse and neglect and take appropriate action in response. All staff can access this on the following web address:

<https://www.gov.uk/government/publications/what-to-do-if-youre-worried-a-child-is-being-abused--2>

All staff should be able to identify actions required when they have a safeguarding concern. Page 23 of **KCSIE 2021** provides a detailed flowchart '**Actions where there are concerns about a child**' which is adapted and made specific to Newfield within our poster – [Safeguarding Process Flow Chart](#), appendix F, which is made visible to all staff.

Child in Need (CIN)

Under section 17 (s.17 (10)) of the Children Act 1989, a child is 'in need' if:

- The child is unlikely to achieve or maintain, or to have the opportunity to achieve or maintain, a reasonable standard of health or development, without the provision of services by a local authority;
- The child's health or development is likely to be impaired, or further impaired, without the provision of such services;
- The child has a disability.

Referral to Children's Services is via the Children Advice & Duty Service (CADS) (see the next section)

Child in Need of Protection

Under section 47(1) of the Children Act 1989, a local authority has a duty to make enquiries where they are informed that a child who lives or is found in their area:

- Is the subject of an Emergency Protection Order;
- Is in Police Protection; or where they have

- Reasonable cause to suspect that a child is suffering or is likely to suffer significant harm

A professional making a child protection referral under s.47 must provide information that highlights what the child's unmet needs (underlying risk factors) are as well as high risk indicators that potentially identify the child may be suffering or likely to suffer significant harm.

Referral to children's social care

- **Telephone Blackburn with Darwen Borough Council's Children Advice & Duty Service (CADS) 01254 666400**

To ensure that our pupils are protected from harm & maltreatment, we need to understand what types of behaviour constitute abuse and neglect. There are four categories of abuse: physical, emotional, sexual and neglect:

Physical abuse

A form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

Emotional abuse

The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.

Sexual abuse

Involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as

involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can take place online, and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

Neglect

The persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:

- a. Provide adequate food, clothing and shelter (including exclusion from home or abandonment)
- b. Protect a child from physical and emotional harm or danger
- c. Ensure adequate supervision (including the use of inadequate caregivers)
- d. Ensure access to appropriate medical care or treatment

It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

(The above definitions are taken from **Working Together to Safeguard Children 2018**).

Also see Specific Safeguarding Circumstances on page 15

If, at any point, there is a risk of immediate serious harm to a child a referral should be made to CADS immediately. Anybody can make a referral. If the child's situation does not appear to be improving the staff member with concerns should press for re-consideration.

Key points for staff to remember for taking action are:

- In an emergency take the action necessary to help and protect the child, for example, call 999;
- Report your concern to the DSL as soon as possible;
- Do not start your own investigation;
- Share information on a need-to-know basis only – do not discuss the issue with colleagues, friends or family;
- Complete a record of concern;
- Seek support for yourself if you are distressed.

If a pupil discloses to you

It takes a lot of courage for a child to disclose that they are being abused. They may feel ashamed, particularly if the abuse is sexual; their abuser may have threatened what will happen if they tell; they may have lost all trust in adults; or they may believe, or have been told, that the abuse is their own fault; or they may be worried about their own actions (e.g. using social media whilst under 13 years old).

If a pupil talks to a member of staff about any risks to their safety or wellbeing, the staff member will need to let the pupil know that they must pass the information on. The point at which they tell the pupil this is a matter for professional judgement. If they jump in immediately the pupil may think that they do not want to listen, if left until the very end of the conversation, the pupil may feel that they have been misled into revealing more than they would have otherwise.

During their conversations with the pupils, staff will:

- Allow them to speak freely;
- Endeavour to utilise a neutral translator if necessary;
- Remain calm and collected – the pupil may stop talking if they feel they are upsetting their listener;
- Give reassuring nods or words of comfort – ‘I’m so sorry this has happened’, ‘I want to help’, ‘This isn’t your fault’, ‘You are doing the right thing in talking to me’;
- Not be afraid of silences – staff must remember how hard this must be for the pupil;
- Under no circumstances ask investigative questions – such as how many times this has happened, whether it happens to siblings too, or what does the pupil’s mother think about all this;
- Tell the pupil that in order to help them, the member of staff must pass the information on;
- Not automatically offer any physical touch as comfort. It may be anything but comfort to a child who has been abused;
- Avoid admonishing the child for not disclosing earlier. Saying things such as ‘I do wish you had told me about this when it started’ or ‘I can’t believe what I’m hearing’ may be interpreted by the child to mean that they have done something wrong;
- Tell the pupil what will happen next. The pupil may agree to go to see the designated safeguarding lead. Otherwise it is the duty of the member of staff to inform the DSL of what has been discussed. If the pupil does agree to go and see the designated safeguarding lead, the staff member should inform the DSL that the child will be coming to see them at some point;
- Report verbally to the DSL even if the child has promised to do it by themselves;
- Write up their conversation as soon as possible on the record of concern form and hand it to the DSL;
- Seek support if they feel distressed.

Notifying parents

The school will normally seek to discuss any concerns about a pupil with their parents (if safe to do so). This must be handled sensitively and the DSL will make contact with the parent/carer in the event of a concern, suspicion or disclosure.

However, if the school/DSL believes that notifying parents could increase the risk to the child or exacerbate the problem, advice will first be sought from children’s social care (particularly if the disclosure is sexual abuse, forced marriage, under Prevent Duty, Female Genital Mutilation or Fabricated and Induced Illness (FII)).

5. Specific Safeguarding Circumstances

Annex B of 'Keeping Children Safe in Education 2021' provides additional information about specific forms of abuse and safeguarding issues. All school staff who work directly with our children will read this and if they have concerns about a child's welfare speak to the DSL (or deputy) immediately.

In addition to the guidance above, school will ensure that the following safeguarding partnership arrangements are followed on the specific areas of concern using the following links (and additional information where provided):

Children in the Court system

http://panlancashirescb.proceduresonline.com/chapters/p_sg_youth_justice_sys.html?zoom_highlight=chidren+in+the+court+system

Children Missing Education

Children who are missing from education (or not receiving a suitable full time education) are potentially exposed to an increased risk of abuse or neglect, including sexual exploitation, female genital mutilation, forced marriage, or travelling to conflict zones. The Local Authority has well established CME procedures in place via the work of Inclusion Officers within the Inclusion and Place Planning Team.

The following Pan-Lancashire CSAP links provide both the procedure and forms for school to follow:

https://panlancashirescb.proceduresonline.com/chapters/p_children_missing.html

Child Sexual Exploitation (CSE) and Child Criminal Exploitation (CCE)

- All staff will undertake CSE training appropriate to their role including becoming familiar with indicators of involvement in CSE/ CCE.
- The school curriculum (where sexual relationships/PSHE is delivered) will include relevant information around the risks associated with CSE/ CCE.

The following link references the Pan Lancashire CSE Standard Operating Protocol which includes further guidance that school will follow if CSE is recognised:

Domestic Abuse

https://panlancashirescb.proceduresonline.com/chapters/p_domestic_violence_abuse.html

Operation Encompass

Operation Encompass is a police and education early intervention safeguarding partnership which ensures that a child's school is informed, prior to the start of the next school day, that there has been an incident of domestic abuse to which the child or young person has been exposed, and which might then have an impact on them in school the following day.

Each school in Blackburn with Darwen is informed of all domestic abuse incidents, not just those where an offence can be identified or those which are graded as high risk. The

Safeguarding & Child Protection Policy Newfield School 2021/22

partnership recognises that all incidents of domestic abuse can be harmful to children and young people.

Operation Encompass notifications should be transferred onto the schools preferred recording system with actions linked to the notification. This will help clearly identify any assessment, support and any actions taken that are linked to the notification.

A nominated member of staff, known as a Key Adult, has been trained to liaise with the police. They will be able to use information that has been shared with them, in confidence, to ensure that the school makes provision for possible difficulties experienced by children or their families.

Staff should conduct an individual assessment of the child's needs, and decide on any school routine modifications that need to be made, for instance, allowing the child time out, additional time to complete homework, discreetly providing the child with access to washing facilities, food and clothing (if available). They should record a brief summary of their assessment, and any support actions taken that directly relate to it.

If school staff have additional concerns around the child's safety and wellbeing due to being aware of previously unknown information, they should make a CP referral following existing referral procedures, even if they are aware of one having been done by the Police and Operation Encompass officers. They may possess unique information that they can share, that will more fully inform the picture of risk to a child or victim adult.

Schools will, on occasion, be asked to provide the Local Authority, Safeguarding Partnership or the Domestic Abuse Strategic Board information in relation to analysis/audit of Operation Encompass notifications.

Preventing Radicalisation

All schools are subject to a duty under Section 26 of the Counter-Terrorism and Security Act of 2015, to have 'due regard to the need to prevent people from being drawn into terrorism', known as the 'Prevent Duty'.

Peer abuse and sexual violence and harassment between children

All staff will understand what sexual violence and harassment constitutes in line with the comprehensive guidance provided in Part 5 of **Keeping Children Safe in Education 2021**. In addition, staff should be familiar with the DfE departmental advice: **Sexual Violence and Sexual Harassment Between Children in Schools and Colleges** which contains further detailed information and the Pan-Lancashire procedures on Peer Abuse:

Female Genital Mutilation (FGM)

Female Genital Mutilation (FGM) is encompassed within a range of crimes of so-called 'honour based abuse' or 'honour based violence' including forced marriage, the practice of breast ironing and FGM. There is a statutory duty upon teachers that they must report to the police cases where they discover that an act of FGM appears to have been carried out.

The duty above does not apply in cases where a pupil is *at risk* of FGM or FGM is suspected but is not known to have been carried out. Staff must inform the DSL if they have any concerns that a pupil may be having FGM surgery in the future in the UK but also abroad. Staff should not examine pupils.

http://panlancashirescb.proceduresonline.com/chapters/p_female_mutilation.html

Any other member of staff who discovers that an act of FGM appears to have been carried out on a **pupil under 18** must speak to the DSL and follow the above pan Lancashire safeguarding procedures.

Warning signs for FGM can be found in the **HM Government Multi-Agency Practice Guidance** (link below), and pages 61-63 focuses on the role of schools and colleges. Pages 42-43 provide guidance on the warning signs that FGM may be about to take place or has already taken place

- There is a statutory duty upon teachers that they must report to the Police cases where they discover that an act of FGM appears to have been carried out.
- Staff must also follow Pan-Lancashire procedures.

Warning signs for FGM can be found in the HM Government Multi-Agency Practice Guidance (link below), and pages 59-62 focuses on the role of schools and colleges. Pages 38-41 gives guidance on the warning signs that FGM may be about to take place or has already taken place.

Forced Marriage and Honour Based Violence

A forced marriage is one whereby one or both parties do not consent to marriage but are forced to do so through violence, threats or any form of coercion. Schools play an important role in safeguarding children from being forced to marry.

The school will follow national and local guidance **as identified in the Pan-Lancashire procedures**:

https://panlancashirescb.proceduresonline.com/chapters/p_forced_marriage.html

Online Safety

Newfield School is committed to keeping pupils safe online and understand that Online Safety is a safeguarding issue with a wide variety of continually developing risk areas. We therefore ensure that:

- ALL staff and volunteers understand that children can be harmed online including through hurtful and abusive messages, online bullying, enticing children to engage in age-inappropriate conversations, grooming, sharing and/or production of indecent images, false news/disinformation, viral scare stories/online challenges or encouraging risk taking behaviours.
- Pupils/students will receive regular and up-to-date education about online risks and how to stay safe online.
- All staff and volunteers will receive regular online safety training, including new and emerging risk areas.

The school's **Online Safety Policy** details how we will keep pupils safe when using the online environment. The policy is reviewed annually to ensure developments in technology are reflected and address the potential risks these developments may bring.

We will ensure that:

- Online bullying by pupils, such as those via social media, texts or e-mail, is unacceptable and will be treated as with any other type of bullying. Such instances will be managed in line with our **Anti-bullying Policy**
- There are clear and explicit rules for the use of mobile devices such as smartphones brought into school by children
- Where there is a need to search a pupil for a mobile device, the school will ensure this is in accordance with the DfE published advice: **Searching, Screening and Confiscation**
- Our **Home-School Agreement** contains reference to the use of social media and our expectations regarding pupil behaviour both within and outside of the school environment. Should school become aware of online safety-related issues that have occurred outside of school, they will be managed in accordance with our Home-School Agreement and **Online Safety Policy**.
- The school has appropriate filtering and monitoring systems in place regarding use of the school's internet provision. We will ensure all members of staff and the wider school community are aware of expectations for the use of non-school provided connectivity (3G, 4G & 5G).
- Safeguarding aspects relating to Online Safety identified in the DfE **Keeping Children Safe in Education** statutory guidance are in place and effective.

In addition to those items above, ensuring our Online Safety provision is current and effective is essential. The governing body will therefore carry out an annual self-review of the school's online safety provision using the **CSAP Online Safety Governance Self-Review Tool**.

Modern Slavery & County Lines

The Modern Slavery Act 2015 places a statutory duty on public authorities, including schools, to notify the National Crime Agency (NCA) (section 52 of the Act) on observing signs or receiving intelligence relating to modern slavery, e.g. human trafficking, slavery, sexual and criminal exploitation, forced labour and domestic servitude. The public authority (including schools) bears this obligation where it has 'reasonable grounds to believe that a person may be a victim of slavery or human trafficking'.

Children do not need to give their consent to be referred to the NCA.

- Staff must be aware of the above and contact the DSL should they suspect or receive information that either parents or their children may be victims of modern slavery
- The DSL should then contact the NCA and the following persons:
 - BwD CADS for concerns about children possibly subject to Modern Slavery.

6. Support for those involved in a child protection issue

Child abuse is devastating for the child and can also result in distress and anxiety for staff who become involved. We will support pupils, their families, and staff by:

- Taking all suspicions and disclosures seriously;
- Nominating a link person (DSL) who will keep all parties informed and be the central point of contact;
- Nominating a separate link people for the child and member of staff, where a member of staff is the subject of an allegation made by a pupil, to avoid any conflict of interest;
- Responding sympathetically to any request from pupils or staff for time out to deal with distress or anxiety;
- Maintaining confidentiality and sharing information on a need-to-know basis only with relevant individuals and agencies;
- Storing records securely;
- Offering details of helplines, counselling or other avenues of external support;
- Following the procedures laid down in our whistleblowing, complaints and disciplinary procedures;
- Cooperating fully with relevant statutory agencies;
- Making sure a neutral interpreter is available when English is not the child's first language;

- Providing time for the member of staff to reflect on child protection issues (e.g. through peer support and/or reflective safeguarding practice/supervision) as outlined in Working Together to Safeguard Children 2018 (updated 2020).

7. Safer Recruitment

Newfield School is committed to keeping pupils safe by ensuring that adults who work or volunteer in school are safe to do so. We will ensure our recruitment, selection and pre-employment processes are in line with statutory guidance as identified in Part 3 of Keeping Children Safe in Education 2021.

Newfield School will ensure that any contractor or their employees has been subject to the appropriate level of DBS check prior to undertaking work in school

In Brief:

Regulated activity requires an enhanced DBS certificate and this includes barred list information. Regulated activity is if a member of staff:

- Will be responsible, on a regular basis in a school or college, for teaching, training instructing, caring for or supervising children; or
- Will carry out paid, or unsupervised unpaid, work regularly in a school or college where that work provides an opportunity for contact with children; or
- Engages in intimate or personal care or overnight activity, even if this happens only once

Secretary of State Teacher Prohibition Orders and Section 128 Direction

A teacher who is appointed will require an additional check to ensure they are not prohibited from teaching.

School will register and complete these checks as appropriate:

<https://www.gov.uk/guidance/teacher-status-checks-information-for-employers>

In addition, the Secretary of State 128 direction prohibits or restricts a person from taking part in the management or as a governor of a maintained school.

For staff who have regular contact not classed as regulated activity: an enhanced DBS certificate, which does not include a barred list check, will be appropriate. This would include contractors that would have the opportunity for contact with children and who work under a temporary or occasional contract.

Supervised volunteers: In a school, a supervised volunteer who regularly teaches or looks after children is not in regulated activity. Our school will have regard to when considering which checks should be undertaken on volunteers as set out in Part 3 and Annex F of Keeping Children Safe in Education 2020

External contractors in regulated activity: An enhanced DBS certificate, which includes a barred list check, will be required

Childcare disqualification requirements NEWFIELD ONLY

The Disqualification under the Childcare Act 2006 places additional requirements for childcare disqualification checks to be carried out on relevant staff working in schools.

The regulations prohibit schools from employing a disqualified person in connection with relevant childcare provision unless the individual in question has been granted a waiver by Ofsted for the role they wish to undertake.

The regulations can be accessed via the following web address:

<https://www.gov.uk/government/publications/disqualification-under-the-childcare-act-2006>

Relevant offences and orders

Under the legislation, a person is disqualified if they are found to have committed an offence which is included in the 2018 regulations. A list of the relevant offences and orders is set out in the tables A and B of the regulations that can be accessed via the above web address.

Staff covered

Staff are covered by this legislation if they are:

- employed to directly provide childcare for children who have not attained the age of 8 in nursery, primary or secondary school settings
- or if they are directly concerned with the management of the provision of such childcare.

At Newfield School, all class staff can be deployed to work anywhere in school and will therefore have substantial access to children under the age of 8. The Senior Leadership Team is directly concerned with the management of the provision of such childcare. Therefore all class staff and teaching and learning members of the SLT including Assistant Head Teachers, Deputy Head Teachers and the Head Teacher are deemed to be in scope and covered by this legislation.

The school will ensure that all staff deemed to be in scope of this legislation complete and return a self-declaration form (Appendix C) in order to obtain information about whether a member of staff is disqualified. Staff should inform the school if their circumstances change.

Where the school receives information and is satisfied that an 'in scope' member of staff falls within one of the disqualification criteria in the 2018 regulations they must inform the individual of this, explain the implications of disqualification to them and explain how to

Safeguarding & Child Protection Policy Newfield School 2021/22 21
'Newfield School is committed to safeguarding and protecting the welfare of children and vulnerable adults as it's number one priority. This commitment to robust recruitment, selection and induction procedure is shared by all staff and volunteers of Newfield School.'

make an application to Ofsted for a waiver of disqualification. Further details about how to make an application for a waiver can be found on the Ofsted website. The school will seek HR advice about whether the member of staff can remain in school whilst a waiver application is under consideration.

Staff not covered

Staff who are not employed to directly provide childcare are not covered by this legislation. At Newfield this means that the following staff are not in scope of this legislation and therefore do not need to complete a staff declaration form in order to carry out disqualification checks:

- Premises & Services Manager
- Site Supervisor
- Hygiene Assistant
- ICT Technician
- Catering Manager
- Catering Supervisor
- Catering Assistant
- Finance & School Manager
- Admin Manager
- Administrator

School governors at Newfield are also not covered by this legislation.

Single Central Record:

Keeping children safe in education 2021, sets out the school's responsibility to keep all staff details on the Single Central Record (example Appendix E). This will cover the following

- All staff (including supply staff, and teacher trainees on salaried routes) who work at the school:
- All volunteers:
- All governors:
- All school casual bank workers and:

Blackburn with Darwen Council issues a model Single Central Record template every year. In addition to the checks listed in the template, we also record the following checks for our staff on our school Single Central Record (attached at Appendix E):

- Job held
- Start date with school
- Teacher reference number, if applicable
- Date Qualified Teacher Status achieved, if applicable
- Two satisfactory references received
- Satisfactory medical clearance received

- School induction delivered

Safer recruitment means that all applicants will (appropriate to the role & responsibility):

Have the following:

- Two satisfactory references, at least one who can comment on the applicant's suitability to work with children
- An interview
- A completed application form
- Their identity checked;
- A barred list check;
- An enhanced DBS check/certificate;
- A prohibition from teaching check;
- A section 128 check, where appropriate
- further checks on people who have lived or worked outside the UK;
- a check of professional qualifications, where required; and
- a check to establish the person's right to work in the United Kingdom.

Further information on details that school must keep can be found in paragraph 253 of Keeping Children Safe in Education 2021

School has a legal duty to refer to the DBS anyone who has harmed, or poses a risk of harm to a child (or vulnerable adult). School will follow DBS guidance on referrals as per the GOV.UK website.

8. Allegations of abuse

Against teachers and other staff

When an allegation is made against a member of staff, set procedures must be followed. It is rare for a child to make an entirely false or malicious allegation, although misunderstandings and misinterpretations of events do happen.

A child may also make an allegation against an innocent party because they are too afraid to name the real perpetrator. Even so, we must accept that some professionals do pose a serious risk to pupils and we must act on every allegation. Staff who are the subject of an allegation have the right to have their case dealt with fairly, quickly and consistently and to be kept informed of its progress. Suspension is not mandatory, nor is it automatic but, in some cases, staff may be suspended where this is deemed to be the best way to ensure that children are protected.

- Allegations against staff should be reported to the Head Teacher;
- Allegations against the Head Teacher should be reported to the Chair of Governors;
- The Head Teacher and/or Chair of Governors must discuss the allegation with the Local Authority Designated Officer (LADO);

- The full procedures for dealing with allegations against staff can be found in the following local safeguarding policy on allegations against staff:

http://panlancashirescb.proceduresonline.com/chapters/p_allegations.html

Staff conduct: Staff that are concerned about the conduct of a colleague towards a pupil are undoubtedly placed in a very difficult situation. They may worry that they have misunderstood the situation and they will wonder whether a report could jeopardise their colleague's career. All staff must remember that the welfare of the child is paramount and that they have a duty to respond and inform the Designated Safeguarding Lead.

The school has adopted the Blackburn with Darwen Council model whistleblowing policy which enables staff to raise concerns or allegations in confidence and for a sensitive enquiry to take place. The policy can be accessed on the school network here <O:\Staff\Policies and Guidance\Whistleblowing-Policy-Schools.docx>

All concerns of poor practice or possible child abuse by colleagues should be reported to the Head Teacher. Complaints about the Head Teacher should be reported to the Chair of governors.

Allegations of abuse made against other children

The school recognises that children are capable of abusing their peers (see also [Sexual Violence and Harassment above](#)) and will follow Pan-Lancashire guidance: https://panlancashirescb.proceduresonline.com/chapters/p_peer_abuse.html

9. Confidentiality, Information Sharing & Record Keeping

All staff will understand that child protection issues warrant a high level of confidentiality, not only out of respect for the pupil and staff involved but also to ensure that being released into the public domain does not compromise evidence.

Staff should only discuss concerns with the Designated Safeguarding Lead, Head Teacher or Chair of Governors (depending on who is the subject of the concern). That person will then decide who else needs to have the information and they will disseminate it on a 'need-to-know' basis.

Child protection information will be stored and handled in line with guidance from the [Information Commissioner's Office](#) and UK GDPR requirements. Information is:

- Processed for limited purposes
- Adequate, relevant and not excessive
- Accurate
- Kept no longer than necessary – local authority guidance is 25 years after leaving school/education
- Processed in accordance with the data subject's rights
- Secure

Written record of concern forms will be stored in a locked facility and any electronic information will be password protected and only made available to relevant individuals.

Every effort will be made to prevent unauthorised access, and sensitive information should not be stored on laptop computers.

Child protection information will be stored separately from the pupil's school file and the school file will be 'tagged' to indicate that separate information is held.

Safeguarding information must follow the child throughout their education as an additional separate record but a copy must be retained by each school attended for the set time as referred to above/99 years.

Child protection records are normally exempt from the disclosure provisions of the Data Protection Act, which means that children and parents do not have an automatic right to see them. If any member of staff receives a request from a pupil or parent to see child protection records, they will refer the request to the Head Teacher or DSL.

As highlighted in Keeping Children Safe in Education, The Data Protection Act does not prevent school staff from sharing information with relevant agencies, where that information may help to protect a child.

The school's policy on confidentiality and information-sharing is available to parents and pupils on request.

The school policy will reflect the local safeguarding partnership Multi Agency Information Sharing Policy:

Appendix A: Safeguarding processes during COVID-19

Where COVID-19 measures are in place nationally, all requirements and principles in Keeping Children Safe in Education (KCSIE) statutory guidance remain in force and will be followed. The processes by which regulations are adhered to may change within school and below is a brief outline of the changes affecting Newfield and its pupils.

Safeguarding and promoting the welfare of children is statutorily defined as: protecting them from maltreatment; preventing impairment of their health or development; ensuring they grow up being provided with safe and effective care; and action is taken to enable them to have the best outcomes. The duty to undertake this role has not changed with the COVID-19 regulations and so all teaching professionals continue to have a duty to identify safeguarding concerns, share information, work together with other agencies and provide support to the child and family.

Safeguarding Leads & Deputies: Where school remains open or where pupils attend an alternative site such as a 'hub' the DSL and deputy DSL will attend as part of a wider rota of staff, and in addition will be available daily on-call.

Designated Safeguarding Lead for Newfield : Jenny Riley
Deputy Designated Safeguarding Lead for Newfield : Vicki Clements
Hub during periods of school closure: n/a

Safeguarding of Pupils: The school will continue to review the circumstances of all its pupils on roll; those in school and those being cared for at home. For those in school due to their vulnerabilities, there will be regular contact with the child's social worker or key worker. For pupils attending school for childcare as their parents/carers are key workers, the school will monitor any concerns, unmet needs, and potential risk factors. For pupils not attending school, where prior to the COVID-19 measures there were indicators of safeguarding concerns, including those children with Child & Family Plans (CAFs), close monitoring of the child's welfare will be maintained and where concerns escalate, appropriate action will be taken to ensure services are provided in line with the Pan-Lancashire Continuum of Need and Response (CoNR). For children with School acting as Lead Professional for a CAF, School will ensure regular review of the child's plan is continued remotely.

Where children are attending school due to vulnerabilities or where parents/carers are key workers, attendance will be monitored as normal and non-attendance followed up with parents/carers and social workers/key workers as appropriate.

For all children attending school, emergency contact details for parents/carers will be regularly reviewed as these may change during the COVID-19 period.

Where the school receives Operation Encompass notifications, normal welfare checks will continue and advice sought from Children Advice and Duty Service (CADS) where appropriate. In countries with earlier COVID-19 experience, they have reported nearly a doubling of police reported domestic abuse incidents during the periods of lockdown.

Further advice and support will be sought from the WISH Centre (01254 260465) where required.

Our Online Safety expectations must be adhered to when online learning. Parents must supervise their child's learning online so that anyone posing a threat online can be detected, reported and deterred. Parents should report any concerns to: **The headteacher**

School Workforce: The Single Central Record (SCR) will be updated and maintained during the COVID-19 period. All regulations on the appointment and induction of new staff and volunteers will continue to be followed.

Information Sharing: The normal guidelines on the sharing of information remain in force during the COVID-19 period.

Where school receives safeguarding notifications or welfare queries (CADS, Operation Encompass, MARAC etc), school will respond to these during the COVID-19 period.

Where a child is attending childcare in a hub school, **Newfield** will share these notifications and queries with the hub school and the respective DSLs work together to respond and safeguard the child. Both schools will record information received, shared and action taken.

The hub school will share a full copy of their safeguarding record with **Newfield** so that they can retain a record of all actions taken to safeguard the child. For complex cases and where ongoing safeguarding concerns remain, a face-to-face handover between DSLs will take place to ensure records are fully understood and there is clarity of what further needs to be done to safeguard the child.

Information Governance: All new and additional activities during the COVID-19 period will generate information and all the requirements to protect data in the Data Protection Act/GDPR remain in force. Where new or additional activities, like online learning create new data and its storage, school privacy policies will be updated to reflect this.

Health and Development: Preventing the impairment of a child's health or development remains a key part of safeguarding responsibilities. In these uncertain and fast-changing circumstances with COVID-19, there are concerns that the physical and mental health of children will be affected. During any period of School closure, School will keep in contact with all our children who are remote learning via **MS TEAMS** through e-mails or newsletters and in some cases, with phone calls. This will enable welfare to be monitored regularly and will ensure that School is fully informed of any unmet needs a child may have.

The DfE has set up a helpline and the contact details can be accessed at:

<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak>

Appendix B: Safeguarding arrangements for Remote Learning

*** To be read in conjunction with Newfield Remote Education Policy 2021
[Extract from Newfield Remote Learning Policy 2021]:**

5. Safeguarding

5.1. This section of the policy will be enacted in conjunction with the school's Child Protection and Safeguarding Policy, which has been updated to include safeguarding procedures in relation to remote working.

5.2. The DSL and Headteacher will identify 'vulnerable' pupils (pupils who are deemed to be vulnerable or are at risk of harm) prior to the period of remote learning. Where School is open for Key worker and vulnerable pupils, vulnerable pupils will be encouraged to attend.

Safeguarding & Child Protection Policy Newfield School 2021/22

28

'Newfield School is committed to safeguarding and protecting the welfare of children and vulnerable adults as it's number one priority. This commitment to robust recruitment, selection and induction procedure is shared by all staff and volunteers of Newfield School.'

5.3. The DSL will arrange for regular contact to be made with vulnerable pupils who are not attending School, prior to the period of remote learning.

5.4. Phone calls made to vulnerable pupils not attending School will be made using school phones where possible or if using staff phones the number will be withheld.

5.5. The DSL will arrange for regular contact with vulnerable pupils daily, twice weekly or weekly as appropriate, with additional contact, including home visits, arranged where required.

5.6. All contact with vulnerable pupils will be recorded on the school's safeguarding system and suitably stored in line with the Data Protection Policy.

5.7. The DSL will keep in contact with vulnerable pupils' social workers or other care professionals during the period of remote working, as required.

5.8. All home visits must:

- Have at least one suitably trained individual present.
- Be undertaken by no fewer than two members of staff.
- Be suitably recorded on the school's safeguarding system.
- Actively involve the pupil where appropriate.

5.9. Vulnerable pupils will be provided with a means of contacting the DSL, their deputy, or any other relevant member of staff – this arrangement will be set up by the DSL prior to the period of remote learning.

5.10. The DSL will meet (in person or remotely) with relevant members of staff once per week to discuss new and current safeguarding arrangements for vulnerable pupils learning remotely.

5.11. All members of staff will report any safeguarding concerns to the DSL immediately.

5.12. Pupils and their parents will be encouraged to contact the DSL if they wish to report safeguarding concerns. The school will also signpost families to the practical support that is available to address these concerns.

Disqualification under the Childcare Act 2006 Self-Declaration Form

This form is to be completed by all staff and volunteers working in roles covered by the legislation – please see Safeguarding Children & Child Protection Policy for more details.

Working Well with Children and Families in Lancashire – Levels of Need

Parts 1 and 2 of Working Well with Children and Families in Lancashire provide guidance to assist all those whose work brings them into contact with children, young people and their families (including the unborn child) to identify the level of help and protection required to ensure children grow up in circumstances that achieve their best outcomes.

Level 1 needs - Universal

- **Most** children, young people and families will experience challenges in their lives that impact on their wellbeing. **Most** families will be able to weather these challenges (are resilient to them) either without help from services, or with advice, guidance and support from universal services, including empathy and understanding.

Level 2 needs - Universal Plus

- **Some** children, young people and families will need support from people who know them well and have established relationships with them to meet some challenges where advice and guidance has not been enough to help the family achieve change or where a child or young person needs additional support to help them to thrive.

Level 3 needs - Intensive

- **A small number** of children, young people and families will experience significant difficulties and will need coordinated support from experts working with them to find sustainable solutions that reduce the impact of challenge on the wellbeing and development of children and young people.

Level 4 needs - Specialist

- In **exceptional** cases families need specialist, statutory support that is designed to maintain or repair relationships and keep families together wherever possible. In some very specific circumstances, the needs are so great that children need to be away from their family to ensure that they are protected from harm and in these circumstances the local authority becomes their “corporate parent”.

Each local authority area covered by Working Well with Children and Families in Lancashire has its own Part 3 which sets out local services and how these can be accessed. All of the documents can be accessed here: https://panlancashirescb.proceduresonline.com/chapters/p_work_well_chfam.html
