# Newfield

# Welcome to your yearbook Class of 2020!

All your friends and staff at Newfield want to wish you good luck as you leave us for exciting new things!

We will all miss you — some of you have been here a long time, some just a few years, but together we have shared fun, hard work, learning and laughter.

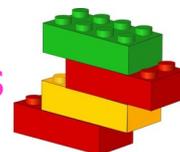

We hope you have wonderful memories of Newfield and we hope that you come back to see us soon.

Take care, be good and keep smiling!

## Sadia Hussain

I've really enjoyed being part of Newfield School and will miss all the fun things we did. My favourite activities have been going to the farm, trampolining and swimming. I also made everyone proud by

completing my bronze DofE award last year. I will miss all the fun times and giggles I shared with the staff.

# Dylan Harrison

Dylan has been at Newfield for 17 years! Gemma says he has been a pleasure to teach the last 3 years. He loves music and exploring different lights. Dylan has had fun exploring different textures in sensory sessions and therapies and has loved swimming. We will all really miss Dylan and wish him the very

best of luck in his next adventure!

xx

# Conner Robson

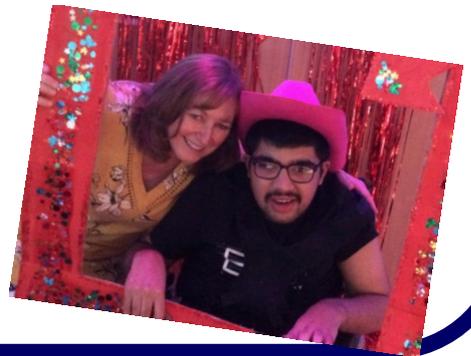

**Conner has been at Newfield for many years. We will all really miss your fantastic singing, knowing every song we play! We will really miss your excitement when you try something new and your sense of adventure. We will also miss that cheeky grin when your are up to no good. Take care and enjoy whatever you do in the future. Keep singing. .. Bye!!**

# Yasir Elahi

Yasir has been with us for many years, always happy! We will really miss your super smile and greetings—even in French, the tight squeeze of the hand and then trying to get our hand back! We will miss singing 'Hey Baby' all the time and you dancing to your favourite songs. You were very caring and so gentle with the animals at the farm and with the dog Baxter. You also loved showing off your art work to everyone. Enjoy Purple Patch. Take care and be happy! Bye!!

Nicole— It has been amazing seeing you grow from a small determined child to a beautiful young lady who knows exactly what she does and doesn't want to do. We will miss your dancing around class, your gorgeous smile and lovely fashion style.

Enjoy your time with your family, especially going out and visiting places with your sister.

Take care Bye!!

# Nicole Buxton

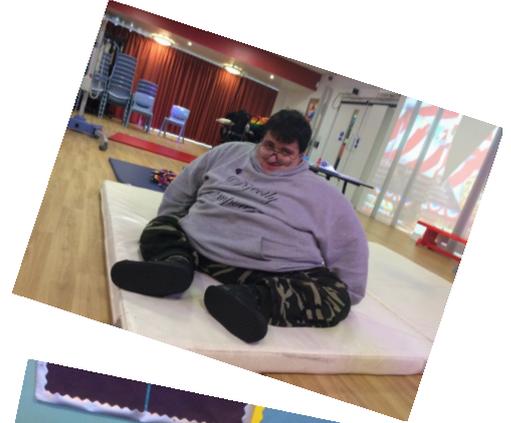

# Adam Ibrahim

Adam you are amazing! That's it!.....

Such a strong young man with a massive heart of gold. You tackle everyday with so much drive and enthusiasm and you are an inspiration to us all.

The world is yours now Adam—go out and get it! It has been an absolute pleasure teaching you.

We have learned and laughed lots along the way, everyday has been an adventure. We will miss you so very much. Good luck x

# Hajra Khan

**Hajra—you make us all laugh so much. You brighten up every single day, always happy and ready for any challenge. We will miss your singing and epic dance moves. You have been a really good friend to everyone here at Newfield and one of the best buddies to the younger pupils.**

**Purple Patch are lucky to be getting you! Go and show them what you are made of. Keep up that drive and enthusiasm - we will miss you very much!  
xxxxx**

# Haarib Mahmood

Haarib—you are a star!

What a good friend you have been to everyone in class. You get on with everyone and they all want to sit next to you!

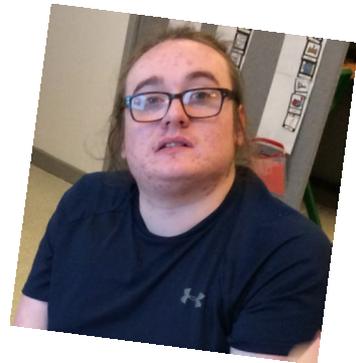

Haarib you are such good fun—you have incredible determination and willpower and a desire to do your best always. We will miss you - especially you taking the recycling out everyday! :-) xxxxxx

# Callum Flynn

I have had lots of fun times at Newfield School and will miss everyone. Some of my favourite activities this year have been cooking, swimming and going to the café. I enjoy spending time with my favourite people and like to watch what everyone else is doing! I like to have my giant pencil to tap.

Dear leavers ,  
It has come to that time when you are all about to spread your wings and fly. You are now young adults, ready to enter the next stages of your life. You have learnt new things, made new friends, developed your skills and become fantastic young people. It has been a pleasure to have known you all, and I have even been lucky enough to teach some of you. You are probably feeling a little bit worried, maybe even a bit scared and anxious – but I promise this is going to be an exciting adventure for you. So please stay positive, be confident and most importantly be YOU! You will all be missed so much but will always be a part of the Newfield family. I wish you luck, success and happiness in whatever you choose to do next and I know that you all have a very bright future ahead of you. Stay safe, stay well and keep in touch

Good luck in your new adventures, it's been an absolute pleasure being part of your journey, I wish you all the success in the world.  
Michele Chatburn (social worker)

It has been a delight to teach some of you, and for those I haven't, it has been lovely getting to know you. At school we hope we have helped you all reach your full potential as you have become more independent and moved into adulthood. You have each developed so much in your own way, communicating in different situations, reaching personal targets and making lots of friend. The time seems to have passed so quickly, but even more so with the unfortunate COVID lockdown. You have remained strong through this situation and I wish you all the best of luck for where ever the future takes you. Stay in contact!  
Georgie.

Hi to all you leavers,  
I want to wish you all the very best as you leave school this year. It's sad that you've not been able to be at school these past few months and not been able to see all your friends but hopefully soon things will get back to normal.  
Love to you all as you begin your new life.  
Marilyn Xxx

It has been lovely supporting you in school, it's sad we can not say good-bye face to face. Good luck and best wishes in your futures.  
Paula

I would like to say enjoy the future that is your destiny wherever that may be. Remember that to get the honey like the bee, you have to 'bee' working hard, 'bee' kind, 'bee' thoughtful, 'bee' asking for help and 'bee' the best you can 'bee'  
Now for your homework, how many times did you hear the word "bee"?  
Haha—from Mo

I would just like to send all of the leavers my well wishes and wish you all the best for the future—you will be very missed.  
Love Charlie x
