Dear Mr Fitzpatrick,

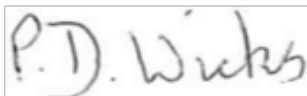

Re: Request to SACRE for a Determination relating to Collective Worship at Newfield School

Blackburn with Darwen SACRE considered your request at a meeting held on 6th October 2015

SACRE considered evidence relating to the faith background of the children attending Newfield School, present and proposed arrangements for collective worship and the views of Governors.

I am pleased to be able to inform you that SACRE have decided to grant your request for a Determination relating to collective Worship at Newfield School with immediate effect. You may review your need for a determination at any time but must do so automatically after five years (5th October 2020).

Yours sincerely,

Paul Wicks Chair BwDSACRE
