Staff Development / Talent Management
Workload and Wellbeing
Multi - Disciplinary appoach
Ongoing training at all levels
Governance
Safeguarding incl online safety
Health and Safety

Creating A Successful Learning Community

A Culture of High Expectations through collaboration and connection

A Safe and Happy Culture

Psychological Safety IS Being Able to

A Team around the Child and Family approach.

Early help and support working alongside families

Safe and happy learning environment means pupils thrive.

Team around the family.

Ensuring better outcomes for all

Multidisciplinary approach targets emerging needs and right interventions

Targeted
Support for
parents via
training/groups
and
counselling

Quality First Teaching – Helping our students learn more and know

How are we doing?reflect /feedback

Celebrating success and
planning next steps

teach it - (learning style of child)

Consider challenge zone

Remember outcome informs what we do

What and how shall we

more

What does each child need to learn next-how will this look?

(Think about why we are teaching it - how can we link this to real life contexts)

Ask are they ready for learning?

Make everything a learning opportunity

Checking what we do is going to help learning and not just entertain.

Asking questions - how/what is this helping them to learn?

Are we introducing new skills,

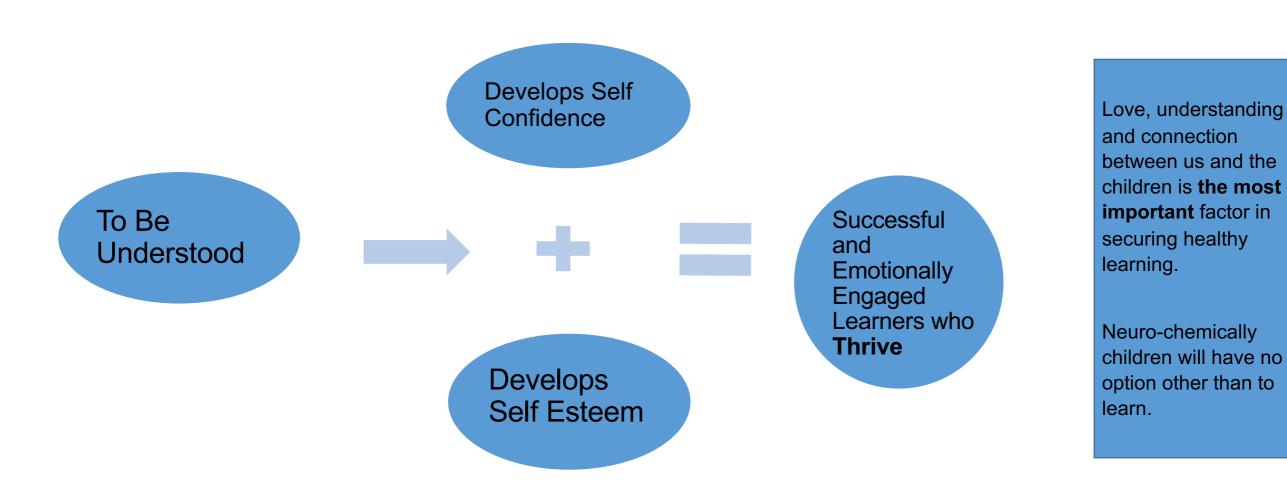

Practising or generalising?

Where are they now?how secure is the learning?

Where do we want to get to?

What steps do we need to get them there?

Our Secret to Successful Lifelong Learning: 'Regulate to Educate' Philosophy underpinned by Neuro-sequential Model (Perry 2008)

Unconditional Positive Regard and Warmth for all pupils Creating a secure and safe base for all pupils to thrive via the 3 R'S:

REGULATE, RELATE AND REASON.

Our Development Priorities 2022-2025

Quality of Leadership and Management

Embedding Feedback / growth culture - neuro leadership approach

Agreed core ethos and values

School wellbeing support systems for pupils, families and staff

Layered leadership & expertise - Lead learning teams

Layered approach to CPD to address skills gap and

development across one school

Growing future talent - future proofing incl. governance In house multi-disciplinary provision model

Quality of Behaviour and Attitudes

Developing 3 levels of regulation for optimum learning and engagement – 'Regulate to Educate'

Maximising Independence and resilience for personal growth

Transfer skills to home and wider community – mastery and generalisation

Brilliant Basics:

Maintaining Best Practice in light of internal & external factors & influences

Quality of Education / Curriculum

Outcome led Individual learning pathways - Measuring what matters

Outdoor learning and provision - (increased use of grounds and community)

Expanding skills in staff team around specific learning needs - new pedagogies / research based practice

Destination led pathways linked to EHCP outcomes

Post 16 Functional skills curriculum and assessment model embedded - supporting preparation for adulthood

Quality of Personal Development

Mental Health & Physical Wellbeing - embedding attachment and trauma informed approach

Supporting the family to achieve best outcomes

Staying safe - making safe choices - risk sensible model

Extended community links - supporting transition

Enhanced 16-19 offer - vocational impact

Our Development Priorities 2024-2027

Quality of Leadership and Management

Enhanced 16-19 offer - vocational impact

What Our Children Want From Us

Listen to me and learn with me,

Talk with me and not about me

Take time to understand me, find out what matters to me

Smile with me and laugh with me

Believe in me and never give up on me

Make things fun for me

Do things with me, not just for me

Always want the best for me

Let me get stuck and find the answers with me

Show me and then leave it to me

Always Reach the sky for me

We may forget much of what it said to us but we will never forget how you make us feel.
